

## Salute

18:3:8 w/v liquid fertilizer

*Contains 30% Slow Release  
Nitrogen as methyl-urea*

### Uses

Sports turf and lawns. Also, ornamental plants, vegetables, shrubs, fruit, orchards and open field crops.

### Benefits

- Slow Release Nitrogen does not scorch in normal usage.
- Provides long lasting nutrition to the plant over several weeks.
- Concentrated, non-leaching formulation.
- Convenient, easy to use, non-hazardous, clear liquid.
- Provides all essential major nutrients nitrogen (N) phosphate (P) and potassium (K).

### Chemical/physical data

#### Analysis:

	<b>Solufeed 18:3:8 30% SRN liquid (w/w)</b>	<b>Solufeed 18:3:8 30% SRN liquid (w/v)</b>
Total N	12.09	18.00
NH4 N	6.0	9.0
Ureic N	6.0	9.0
P2O5	2.0	3.0
P	0.88	1.30
K2O	5.4	8.0
K	4.46	6.65
SO3	14.80	22.03
S	5.92	8.81

**Appearance:** Clear liquid

**Solubility in water:** Fully miscible with water

### How Salute works

The product contains 30% of nitrogen in the slow release methyl-urea form. Biological activity in the soil breaks down the methyl-urea and releases available nitrogen for the plant. Biological activity is most effective in the sort of soil conditions which are best for plant growth i.e. moderate soil temperatures and sufficient soil moisture.

### Directions for use

#### Application rates

**Root Drench:** 1-2 ml per litre of irrigation water i.e. 20 ml in 10 litres of water. Use higher rate on vigorous plants.

**Foliar Spray Tractor** 30 litres Salute in 500 litres of water per hectare.

**Foliar Spray Knapsack** 30 ml Salute per litre of spray solution.

**Directions:** Apply to actively growing well irrigated crops in the spring and summer when soil temperatures are in the range 12 – 25°C.

### General information

**Packaging:** 0.5 litre, 1 litre, 5 litre, 10 litre, 20 litre, 200 litre, 1000 litre.

**Harmonised tariff No:** 3105200000

**Technical service:** For further information, assistance and access to The Solufeed Advisory Service, please contact Solufeed at the address below.

### Precautions

Detailed health and safety information may be found on the relevant Material Safety Data Sheet (MSDS) available on request from the address below.

### Important
